|------------------------------------------------------------------------------------|----------------------|-------------------|-------------------------------------------------|-------------------------|----------|--------------|--------------------|-----------------------------------------------------------------------------------------------------------|

STAFF FAVOURITE ALERT!! The first book in a masterfully woven and playfully inventive epic adult fantasy trilogy, full of imperial intrigue, cutthroat competition, and one scholar's quest to uncover the truth. Perfect for fans of epic fantasies like *The Priory of the Orange Tree* or (yes we are going to go there) *The Name of the Wind*.
