When She Was Good

Michael Robotham \$34.99 TPB

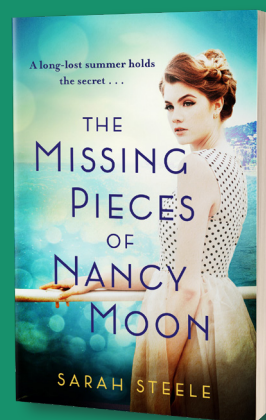

A NEW SERIES. A NEW MYSTERY. A NEW HERO.

After the runaway success of *Good Girl, Bad Girl* Cryus Haven and Evie Cormack return in the second explosive novel.

Evie's ability to tell when someone is lying helped Cyrus crack an impenetrable case in *Good Girl, Bad Girl*. But the closer Cyrus gets to uncovering answers about Evie's dark history, the more he exposes her to danger. Ultimately, both will have to decide if some secrets are better left buried and some monsters should never be named.

A heartstopping psychological thriller from the Number One bestselling author of *The Secrets She Keeps*, now adapted for TV and *The Other Wife*. Michael was an investigative journalist and has ghost written 15 biographies for some of the biggest names in show business.

Lead Titles

The Missing Pieces of Nancy Moon

Sarah Steele \$34.99 TPB

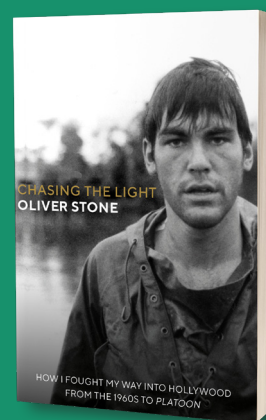

Florence Connelly's life changes when she opens a box of vintage 1960s dress patterns, discovered inside her grandmother's wardrobe. Inside each pattern packet is a fabric swatch, a postcard from Europe and a faded photograph of a young woman wearing the hand-made dress. Why did Flo's grandmother never speak of this mysterious woman - Nancy Moon? This is a book reading groups will treasure.

Playing Nice

J. P. Delaney \$34.99 TPB

The new psychological thriller by the international bestselling author of *The Girl Before*. Pete Riley answers the door to a parent's worst nightmare. On his doorstep is a stranger, Miles Lambert, who breaks the devastating news that Pete's two-year-old, Theo, isn't his biological child after all - he is Miles's, switched with the Lamberts' baby in the hospital. And how much can they trust the real parents of their child - or even each other?

Chasing the Light

Oliver Stone \$37.99 TPB

Multi award-winning director Oliver Stone has become a controversial figure in American filmmaking. Many of Stone's films, including *Platoon* (Stone fought in Vietnam himself) and *Salvador*, focus on controversial American political issues during the late 20th century, and as such were considered contentious at the times of their releases. Other movies include *Wall Street*, *The Doors* and *Nixon*.

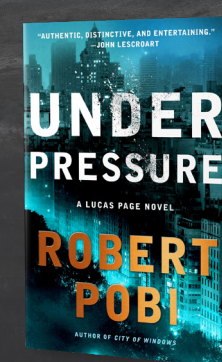

Tiny Pieces of Us

Nicky Pellegrino \$34.99 TPB

We are so excited to finally bring you this. From bestselling author Nicky Pellegrino comes a magnificent novel about the unexpected ways in which our lives weave and tangle, and the bravery we find in the most difficult circumstances.

'A novel about how easy it is to become an observer in your own life, and the joy of learning to live again.' JOJO MOYES

Crime & Thriller

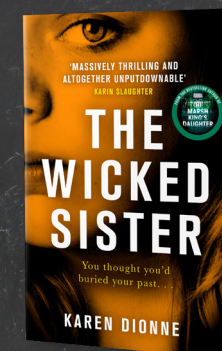

Under Pressure

Robert Pobi \$34.99 TPB

An exciting new series character from the author of *City of Windows*.

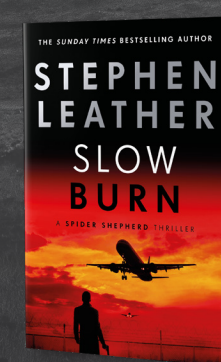

Lucas Page's intuitive 'reading' of a crime scene with a different skill set: Sherlock Holmes' brilliance, Kay Scarpetta's forensic expertise. Thrilling, a real page turner.

The Wicked Sister

Karen Dionne \$34.99 TPB

The new sensational thriller from bestselling author of *The Marsh King's Daughter*. Most of us have read about or known of people who have been imprisoned unjustly for years or even decades. But what if you discovered that you had unjustly imprisoned yourself?

Slow Burn

Stephen Leather \$34.99 TPB

he explosive new thriller in the *Spider Shepherd* series, previous title *Short Range*.

Spider is sent into Syria to retrieve the wife of a notorious ISIS bombmaker. Her husband is an asylum seeker who has information on terrorist cells in Britain.

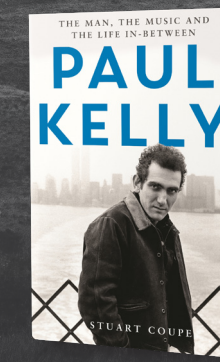

Imperfect Women

Araminta Hall \$34.99 TPB

Three women. Three best friends. Three tragic deaths. This is upmarket suspense at its very best - think Gillian Flynn writing with an even stronger feminist voice. Araminta Hall delves into the female psyche in an incredibly powerful way.

Memoir

Paul Kelly

Stuart Coupe \$37.99 TPB

When Australian music icon Paul Kelly found his career taking off, he had to juggle the demands of rock'n'roll with real life, and it wasn't always pretty. As Paul's manager for a time, Stuart Coupe has seen or heard it all - the good and the bad.

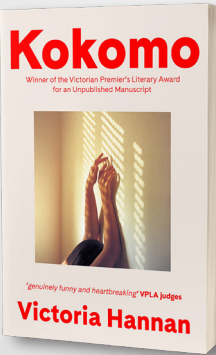

Fiction

True Story

Kate Reed Petty \$37.99 TPB

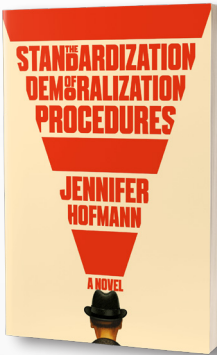

Startlingly relevant and enthralling in its brilliance, *True Story* is a book in four parts: a campus novel, a psychological thriller, a horror story and a crime noir. Each narrative frame masterfully strips away the fictions we tell about women, men and the very nature of truth. Kate Reed Petty is a provocative new voice in fiction.

Kokomo

Victoria Hannan \$34.99 TPB

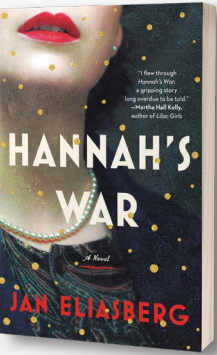

A stunning debut novel. Mina’s agrophobic mother leaves the house after 12 years with no explanation of her the sudden return to the world or what made her hide from it for so long. This leaves Mina raking through of their painful past in a bid to uncover the truth.

The Standardization of Demoralization Procedures

Jennifer Hofmann \$37.99 TPB

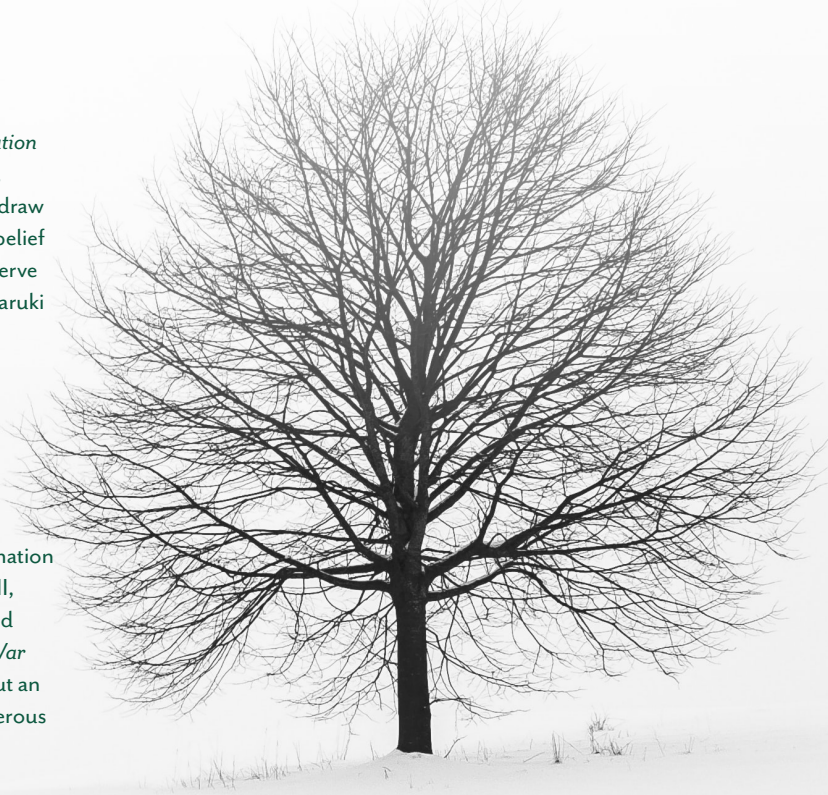

The Standardization of Demoralization Procedures is a book for our times, characterising the murky lines we draw between our personal and moral belief systems and the systems that we serve in society. Written in the vein of Haruki Murakami and Mohsin Hamid.

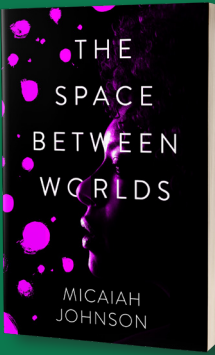

Hannah's War

Jan Eliasberg \$34.99 TPB

A beautiful and inspiring re-imagining of the final months of World War II, and the brilliant researchers behind the first atomic bomb. *Hannah's War* is an unforgettable love story about an exceptional woman and the dangerous power of her greatest discovery.

Sci-fi/Fantasy

The Space Between Worlds

Micaiah Johnson \$34.99 TPB

Using the concept of multiple realities, *The Space Between Worlds* explores social issues like race, poverty, sexuality and the variable circumstances that leads someone to thrive in one reality and perish in another.

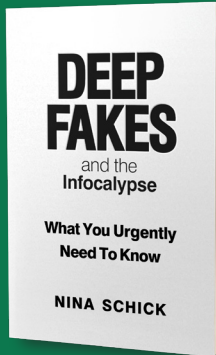

Full Throttle

Joe Hill \$27.99 B

In this masterful collection of short fiction, Joe Hill dissects timeless human struggles in thirteen relentless tales of supernatural suspense, including *In The Tall Grass*, co-written with Stephen King, basis for the terrifying feature film from Netflix.

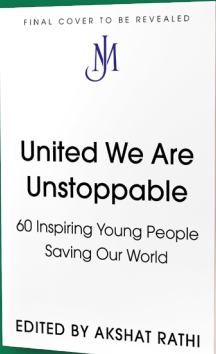

Non-fiction

Deep Fakes and the Infocalypse

Nina Schick \$27.99 B

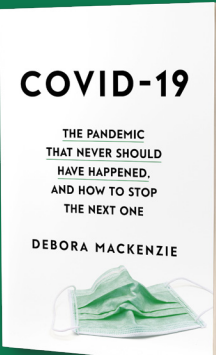

Using her expertise from working in the field, Nina Schick reveals shocking examples of Deep Faking and explains the dangerous political consequences of the Infocalypse, both in terms of national security and what it means for public trust in politics.

United We Are Unstoppable: 60 Inspiring Young People Saving Our World

Various \$29.99 B

These stories are devastating, defiant, inspiring and moving - and, above all, they are full of hope. The climate crisis can feel overwhelming but, as this book shows, for every problem there are young voices raising awareness, creating solutions and demanding that things change.

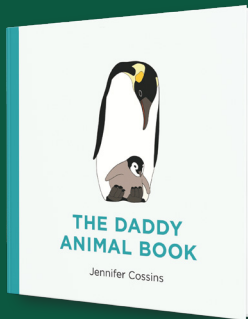

COVID-19: The Pandemic that Never Should Have Happened, and How to Stop the Next One

Debora MacKenzie \$37.99 TPB

Offering a compelling history of the most significant recent outbreaks, including SARS, MERS, H1N1, Zika, and Ebola, this book gives a crash course in Epidemiology 101 - how viruses spread and how pandemics end, outlining the lessons we failed to learn from the past.

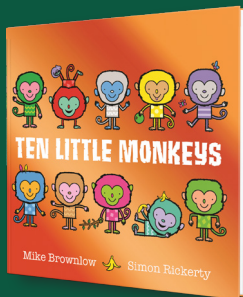

Kids/YA

Daddy Animal Book

Jennifer Cossins \$14.99 HB

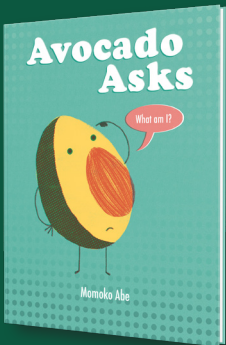

An adorable and informative picture book about baby animals and their dads that is perfect for Father’s Day, from the author of *The Baby Animal Book* and the bestselling *101 Collective Nouns*. A truly delightful gift for Dad.

Now it's Edward's turn.

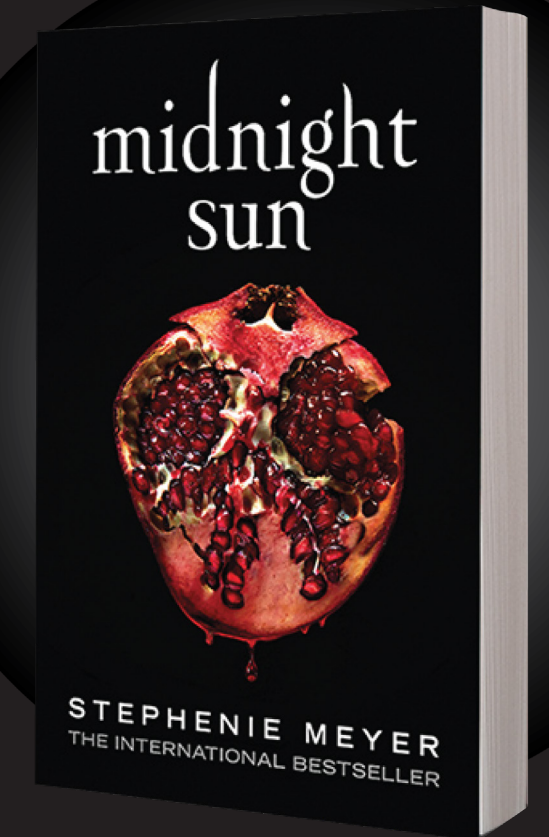

It's here! Number one bestselling author Stephenie Meyer makes a triumphant return to the world of *Twilight* with this highly-anticipated companion; the iconic love story of Bella and Edward told from the vampire's point of view.

When Edward Cullen and Bella Swan met in *Twilight*, an iconic love story was born. But until now, fans have heard only Bella's side of the story. At last, readers can experience Edward's version in the long-awaited companion novel, *Midnight Sun*.

This unforgettable tale as told through Edward's eyes takes on a new and decidedly dark twist. Meeting Bella is both the most unnerving and intriguing event he has experienced in all his years as a vampire. As we learn more fascinating details about Edward's past and the complexity of his inner thoughts, we understand why this is the defining struggle of his life.
How can he justify following his heart if it means leading Bella into danger?

In *Midnight Sun*, Stephenie Meyer transports us back to a world that has captivated millions of readers and brings us an epic novel about the profound pleasures and devastating consequences of immortal love.
