Lead Titles

Call Me Evie

J.P. Pomare \$34.99 TPB

'Suspense as dark and fresh as midnight in winter, with a merciless twist-of-the-knife finale. One of the most striking debuts I've read in years and years.'
- AJ Finn, author of *The Woman in the Window*.

DON'T TRUST HIM. IT WASN'T ME. IT COULDN'T HAVE BEEN ME.

Meet Evie, a young woman held captive by a man named Jim in the isolated New Zealand beach town of Maketu. Jim says he's hiding Evie to protect her, that she did something terrible back home in Melbourne. In a house that creaks against the wind, Evie begins to piece together her fractured memories of the events that led her here. Jim says he's keeping her safe. Evie's not sure she can trust Jim, but can she trust her own memories?

An incredible thriller from an exciting new New Zealand voice.

We Are Displaced

Malala Yousafzai \$34.99 TPB

Starting with her own story of displacement as an Internally Displaced Person, Malala will introduce readers to what it means to lose your home, your community, and the only world you've ever known. She will share the personal stories of some of the incredible girls she has met on her various journeys to refugee camps and the cities where refugee girls and their families have settled. The anecdotes will focus on different parts of each girl's story - from what it was like the day she left her home to what daily life is like in a refugee camp.

Battle Sight Zero

Gerald Seymour \$34.99 TPB

Battle Sight Zero follows Andy and Zein-ab on their path to the lethal badlands of the French port city, simultaneously tracking the extraordinary life journey of the veteran blood-soaked weapon they are destined to be handed there.

Calm the FK Down**

Sarah Knight \$34.99 TPB

When life hands you a big fat f**king lemon, *Calm the F**k Down* gives you practical ways to manage the situation, not to mention your anxiety about the situation. One hundred per cent practical and zero percent Pollyanna-ish, this is a book that acknowledges all the bad shit that can and probably will happen to you - from break ups and breakdowns to floods, family feuds and France running out of butter - and shows you what you can realistically do about it so you can get on with your life, stop worrying and wallowing, and start bouncing back.

Gene Eating

Giles Yeo \$37.99 TPB

Why are we all getting fatter? Why are some people hungrier than others? Why, despite all of the latest advice, is obesity on the rise? And why don't diets work? In an age of misinformation and pseudo-science how do we break this cycle that's literally killing us all? Drawing on the very latest science, and his own genetic research at Cambridge University, Dr. Giles Yeo has written the seminal 'anti-diet' diet book. Exploring the history of our food, debunking marketing nonsense, detoxifying diet advice and confronting the advocates of clean eating, Giles translates his pioneering research into an engaging, must-read study of the human appetite.

Fiction

An Orchestra of Minorities

Chigozie Obioma
\$34.99 TPB

In this contemporary twist of Homer's *Odyssey*, in the mythic style of the Igbo literary tradition, Chigozie Obioma weaves a heart-wrenching epic about the tension between destiny and determination. The second novel by the author of *The Fishermen* (shortlisted for the Man Booker Prize)

A River in the Trees

Jacqueline O'Mahony
\$34.99 TPB

Two women. Two stories. One hundred years of secrets. A sweeping novel of love, loss, family and history for readers who love Maggie O'Farrell, John Boyne and Donal Ryan

Shadow Captain

Alastair Reynolds
\$37.99 TPB

Two sisters ran away from home to join the crew of a spaceship. They took on pirates, faced down monsters and survived massacres . . . and now they're in charge. Returning to the universe of *Revenger*, award-winning author Alastair Reynolds delivers another thrilling tale set among the stars.

SFF

A Long Night in Paris

Dov Alfon \$34.99 TPB

Chinese gangsters and Israeli intelligence face off in Paris. Born and brought up in Paris, Dov Alfon is a former intelligence officer of Unit 8200, an element of Mossad, and brings the thriller brilliantly to life.

Looker

Laura Sims \$34.99 TPB

Have you ever wanted to steal someone else's life? The Professor's partner Nathan has left her; she can't have a baby. All she's left with is Nathan's old moggy, Cat. Who she doesn't even like. Then a celebrity actress moves into the area. She's got children - a baby, even. And a husband who seems to adore her. She leaves discarded household items and toys outside for thrift collection. She leaves her windows open, even at night. There's no harm, the Professor thinks, in recycling those items. Or looking in through the illuminated glass at that shiny, happy family. Is there?
