She isn't fitting in; she doesn't want to stay. What happens next will turn life as Amy knows it on its head.

Freya has gone to great lengths to feel like a 'normal person'. In fact, if you saw her go about her day with her young son, you'd think she was an everyday mum. That is, until a young girl goes missing and someone from her past, someone she hasn't seen for a very long time, arrives in town.

As Amy and Freya's story intertwine the secrets of the past bubble up to the surface. This rural town's dark underbelly is about to be exposed and lives will be destroyed.
