

A Damned Serious Business Gerald Seymour \$34.99 TPB

There is a new cold war raging and its frontline warriors are Russian hackers.

Nicknamed 'Boot' because of his obsession with the Duke of Wellington and the battle of Waterloo, Edwin Coker is a case officer at the Vauxhall headquarters of MI6. When a young hacker falls into his hands and reveals details of a secret meeting, Boot conceives a daring plan to strike back – not with a computer virus, but with a bomb.

Now Boot and his team need a 'deniable' handler to deliver the explosives into Russia and bring the hacker back out. They turn to Merc, a gun-for-hire who knows how to get out of a tight spot. They hope. . .

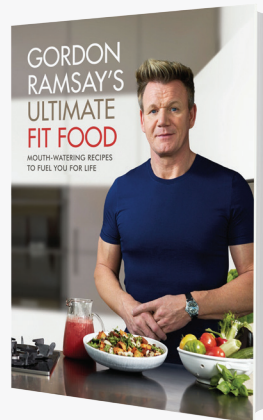

From the moment Merc sets out to cross the River Narva things do not go to plan and the mission turns from tough to almost impossible.
