

# BOOK OF BONES

## ACTIVITY PACK

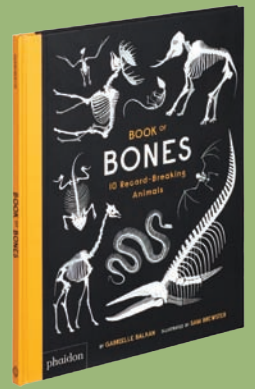

Perfect  
for readers  
ages 5-8

Based on *Book of Bones: 10 Record-Breaking Animals*, published by Phaidon, these exciting activities will entertain curious readers with fun facts and encourage them to use their imaginations with drawing and customizing.

# IF I HAD...

What things would you do if you had bones like some of the amazing animals in the book? Use your imagination to fill in the gaps in each sentence, or draw your response on a separate sheet of paper.

If I had the world's **SMALLEST SKELETON** like an Etruscan shrew, I would hide inside a

---

If I had the world's **LONGEST NECK** like a giraffe, I would reach for

---

If my bones kept on **GROWING** and **GROWING** like a python's, I would grow as big as a

---

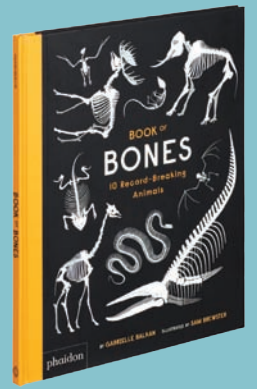

# QUIZ TIME

How many fascinating bone facts can you remember? Match each fact to the correct animal picture.

I have the world's biggest skeleton.

My bones are so light they weigh less than my feathers!

Instead of bones like yours, my skeleton is made of soft cartilage.

I have the heaviest skeleton on land.

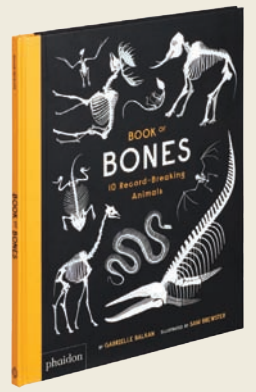

# AN A-MAZE-ING LIZARD

Trace a path to the center of the maze to help the regal horned lizard find its way home. Make sure your path takes you past all of the letters.

Now write down the letters to spell two words which describe the bones I use to defend myself!

— — — — —

# SKELETON MATCH

This poor skeleton has lost half of its bones!  
Look carefully at the ones that are still there  
to help you draw the missing ones back in.
